

Intermediate/Advanced Classes

1 – Moving past Novice (3 1-hour sessions)

This class is for students who have completed the Novice classes and/or who have the equivalent Rally Novice skill from elsewhere. The class introduces CARO Intermediate/Advanced signs particularly those where dog and handler move in different directions. Leash handling is a key component for successful management of these signs.

This is an on-leash class with dogs & handlers active in the training area for the full time.

Dates: Sundays – Sept 7, 14, and Oct 5, 2025 @ 2:15

2 – Solidly Intermediate (3 1-hour sessions)

This class adds the remainder of the Intermediate signs to the repertoire and includes sequences that allow the student to refine all the signs that could be included in an Intermediate Level trial.

This is an on-leash class with dogs & handlers active in the training area for the full time.

Dates: Sundays – Oct 12, 19, and 26, 2025 @ 2:15

3 – Intermediate Plus (4 1-hour sessions)

This class puts it all together with students sharpening their skills and learning to manage an Intermediate rally course. At least two sessions will include working with the five Advanced signs that are not included in the Intermediate level.

Some practice time will be off-leash requiring dogs & handlers to take turns in the training area during these segments.

Dates: Sundays – Spring 2026
