

Novice Classes

All rally classes are based on the Canadian Association of Rally Obedience (CARO) rules but easily transition to Rally in other organizations.

1- Action Rally – Moving Together (3 1-hour sessions)

Build a moving partnership with your dog. This class focuses on heeling, signaling direction changes, reading & managing station signs, building fun and engagement. This is an on-leash class with dogs & handlers active in the training area for the full time.

Dates: Sundays starting mid-October 2025 @ 1:00pm

2- Rally Stops 'n Starts (3 1-hour sessions)

This class expands heeling skills from the first class, and adds halts, position changes, pivots, fronts and finishes. Leash handling and cueing behaviour is emphasized. All Novice rally signs will be covered in this class.

This is an on-leash class with dogs & handlers active in the training area for the full time.

Dates: Sundays, early Spring 2026

3 – Rally Smooth 'n Snappy (4 1-hour sessions)

This class puts it all together with students sharpening their skills and learning to manage a Novice rally course. Sessions will include multiple sequences of signs and/or regular and team rally courses from various trials.

This is an on-leash class with dogs & handlers active in the training area most of the time.

Dates: Sundays, Spring 2026
